A presentation by:

SAHAR ABUSADA

Chair Of Palestinians For Peace And Democracy

On February 15, 2009, Mrs. Sahar Abusada, a Houstonian activist, left for Cairo to oversee the delivery of 140 tents and 280 blankets for Palestinians without homes following the Israeli air attacks on Gaza. Money for these supplies was raised by Houstonians responding to the growing humanitarian crisis.

During this emotional journey Mrs. Abusada met with many wounded Palestinians in the Military Hospital in Cairo and learned about their stories. Now Mrs. Abusada is back in Houston and wants to share these stories with Houstonians that helped her to take the message of solidarity to the Palestinians.

Come and join us for an informative event and participate in the discussion and Q&A session.

This event is free to all.
